Shelter Meeting 17 – Friday 6th October – Geneva and live video conferencingDraft agenda for Shelter Meeting 17, Friday 6th October at Club Suisse de la Presse, Route de Ferney 106, 1202 GenevaTheme: **Self-recovery and the settlements approach**

Over the past 15 years, the Shelter Meeting has developed and supported a global community of practice of humanitarian technical practitioners through a biannual conference, with participation in-person and through live video conferencing. Presentations and discussion worldwide include the prioritisation of common activities, sharing good practice and the peer review of projects.
