Draft agenda for Shelter Meeting 17, Friday 6th October at Club Suisse de la Presse, Route de Ferney 106, 1202 Geneva Theme: Self-recovery and the settlements approach

Over the past 15 years, the Shelter Meeting has developed and supported a global community of practice of humanitarian technical practitioners through a biannual conference, with participation in-person and through live video conferencing. Presentations and discussion worldwide include the prioritisation of common activities, sharing good practice and the peer review of projects.
